OUR MISSION

Kids Five & Over is an all-volunteer, local nonprofit helping children in challenging economic circumstances explore their unique interests and passions. We aim to sustain programming so all children can thrive.

Our geographic reach includes Rockingham, Strafford, and York Counties.

Kids Five & Over

ABOUT US

Kids Five & Over (K50) was borne from the idea that access to recreational opportunities is critical to the overall well-being of youth, yet due to financial barriers, not all can participate in activities of their choosing. We aim to eliminate the financial barrier between interest and opportunity.

NOMINATION PROCESS

Key leaders from across the Seacoast (educators, administrators, outreach therapists, coaches, volunteers) are poised to notice individual children needing financial assistance to join their peers in extra-curricular activities. These vital child advocates work directly with families to help identify the wants and wishes of children and then submit nominations for sponsorship through our website at Kidsfiveandover.org.

COMMITMENT

Kids Five & Over offers a sustained commitment to chosen activities, allowing youth (ages 5-18) full participation for as long as they wish. In addition to sponsorship funding, K50 accepts funding requests for peripheral needs (equipment, uniforms, shoes, etc.) so youth can show up ready to go!

10 YEARS OF DONOR LOVE

In 2023, Kids Five & Over celebrated its 10th year. Donor commitment to K50 has grown organically and steadily, providing a strong foundation for our future. We thank you for partnering with us, believing in our mission, and joining us as we celebrate and support the dreams of local youth.

Dear kids 5 and over,
Thank you for helping to pay for dance and supporting what I do. Without dance, my life would have a lot less joy. Because of you, I get to do what I love and keep doing it as I get older. Dance will always be a huge part of who I am.

Thank you for allowing me to be me!
